MUSICAL EVENING EXTRAORDINAIRE

MISS PATTERSON
To Sing On C.B.C.

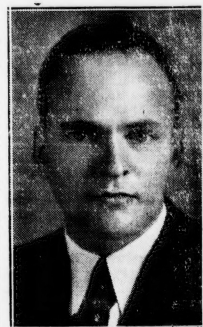

Miss Jean Patterson, clever young Calgary vocalist will leave Monday for Toronto where she has been invited to sing on the "Singing Stars of Tomorrow" program broadcast over the C.B.C., March 3. Miss Patterson is the daughter of Mr. and Mrs. Frank D. Patterson, 120 24th Ave. W. and has taken an active part in musical competition since early in her teens when she won the musical club award for vocalists under 16. Since that time she has twice been awarded the Gall-Cured scholarship in competition in the Alberta Provincial Musical Festival, and recently won a scholarship to study at the Royal Academy of Music in London, England.

T. S. HUGHES

T. S. Hughes came to Strathmore in 1925, previous to which he had been employed in a Bank later working with the Ford Motor Co. Calgary. Arriving in Strathmore he formed a partnership with Mr. Arnold of the Ford Motor Co. here. In 1925 he purchased the I. H. C. Co. and in 1936 completed the purchase of the Ford Motor Agency in Strathmore. Under Mr. Hughes capable management the business continued to expand necessitating the enlarging of the premises which was commenced in the Fall of 1937 and completed in the Spring of 1938, making it one of the most modern and best equipped plants of any small town in the Province.

Mr. Hughes conducted this successful business until enlisted in the R. C. A. F., in which he served as Pilot. On his discharge he returned to Strathmore and has carried on the

LEGION LECT OFFICERS

The local Legion held its annual meeting Tuesday, when many matters of business came up for discussion. There was a large number present.

Election of officers resulted as is shown below:

President, Comrade Cliff Way; 1st Vice Pres., Com. Doug Hirtle; 2nd Vice Pres., Com. Harold Freeman; Sec. Treas., Com. S. H. Crowther. Exec. Committee, Comrades: T. S. Hughes, Rev. Martin A. V. McFarland, Fred Smith and Ray Ferguson. Entertainment Committee, Comrades H. Smith, A. Scott, D. Kermack, J. D. Brown, B. E. Gray, O. Woldum, B. Woodliffe. Sick Visiting Committee, Comrades J. Swanson, J. Sharp, D. Brook, T. Wilson, and S. Moss of Nanaka.

Rehabilitation Committee consists of Comrades J. E. Way, E. H. Crowther, H. C. Wilson, and J. S. Hughes and Bob Gray.

First Past President, H. Wilson. Recently returned were present were R. Hinchliffe, Chuck Maclean and Bill Fawkes.

During the evening the application of the following for membership were accepted: Jack Willison, Ronnie Hinchliffe, Jack Caldwell and Denton North. Comrade A. T. Donovan of the Calgary Branch of the Legion applied for a transfer to the local Branch. Comrade W. Damsen was welcomed home after his recent sabbatical operation. It was good to have him back again.

Next meeting will be Tuesday, April 9 at which every member is urged to be present. The Comrades of the Standard Branch will be our guests and Comrades of the Iricana, Relaker and Acme areas will also be invited. Every effort will be made to arrange for a first class programme. Let's give our guests a real welcome.

This is going to be a most important year in the history of the Strathmore Legion. There is much important work to do. We are therefore delighted to see the names of a number of the younger men on the Executive. With the happy combination of experience and enthusiasm this year should prove to be the best yet in the life of the Canadian Legion No. 19 of the B. E. S. L. We trust that one and all will co-operate to make this ideal come true. We respectfully solicit the loyalty of every member to help to make our organization a force in erecting a better Canada. The worthwhileness of any society depends, in the first analysis, on the individual member.

Fifty dollars was voted to the Red Cross Campaign.

The sale to Mr. Baldwin was consummated about a month ago.

Mr. Hughes has been an all around good citizen and his host of friends wish him continued success.

WEDDING

JONES-KENNAUGH

The marriage of Mr. Jorweth (Ed) Jones, son of Mr. and Mrs. James Jones of Forest Lawn and Miss Helen Margaret Kennaugh, daughter of Mrs. E. A. Kennaugh of Carleton Place, was solemnized in Carleton United Church, Saturday, March 9 at 5:00 p.m. The Rev. W. E. Sieber officiating. The bride given in marriage by her father Mr. Jack Kennaugh, made a charming picture in a gown of white satin with sweetheart neckline and long tapering sleeves.

She wore a gold pocket, gift from the bridegroom and carried a bouquet of red roses.

Miss Mae Kennaugh was bridesmaid for her sister and little Joan Groves, niece, was flower girl. The best man was Mr. Lloyd Jones, brother of the groom. Miss Georgia Chapman played the Wedding Music and Mr. Blaine Chapman sang "Because" in very excellent voice.

Following the ceremony a reception was held at the home of the Bride's mother, when a large number of friends extended happy felicitations. The toast to the bride was happily proposed by Rev. W. E. Selber, the groom responding in like vein.

Assisting in the reception were Mrs. G. B. Field, Mrs. Richard Barlow, Miss Ellen Christensen, Mrs. Harry Way and Mrs. Robert Groves.

The young couple left for a honeymoon in Seattle and on their return will reside in Okotoks.

The bride chose for travelling a blue Gahardine suit with matching accessories.

Later in the evening a very enjoyable dance was held in the Carleton

Union and enthusiasm this year should prove to be the best yet in the life of the Canadian Legion No. 19 of the B. E. S. L. We trust that one and all will co-operate to make this ideal come true. We respectfully solicit the loyalty of every member to help to make our organization a force in erecting a better Canada. The worthwhileness of any society depends, in the first analysis, on the individual member.

Fifty dollars was voted to the Red Cross Campaign.

COMING EVENTS

The bride has many friends in Strathmore who will wish for herself and husband a very happy life together.

MAIN STREET BUSINESS CHANGES OWNERSHIP

James Motors, familiar to all residents of the Strathmore area, for sales around, has been sold by T. S. Hughes, its owner and manager to Seth A. Baldwin. Henceforth the business is to be known as Baldwin Motors.

Mr. Baldwin brings to the garage a rich and varied experience that should serve him and his customers well. He is familiar with many phases of life, and has learned from each of them. He started his career with General Motors in Regina, leaving them in 1921 to go into the north country where he spent some years in milling and logging operations. In 1929 he bought a half interest in McDonald Brothers in Nipawin, Saskatchewan, and took over there in the IHC and machine shop business. He has been in Nipawin continuously since that time, until his moving here.

For some time, Mr. Baldwin was a member of the Town Council of Nipawin as well as an enthusiastic member of the P.M.'s Club of town. He was in addition member of many other organizations, and committees, including the Veteran's Reception Committee.

He was actively connected with the seed growing in Nipawin, which is a major industry of the town. He is very enthusiastic over the possibilities of such an industry, and spent considerable time working in and on the seed plots. He is well acquainted with developments in the seed industry, and has no intention of leaving his work in Nipawin, but hopes to establish something of a similar nature in Strathmore. Any inquiries as to obtaining seed would delight him.

Mr. Baldwin is married and has one daughter. His family is presently in Nipawin, but are planning to move to Strathmore as soon as accommodation can be obtained.

RED CROSS DRIVE

Canvassers include W. E. Springthorpe, Mrs. Geo. Thurston, Mrs. Chas. Kimmott, Reg. Clenden, Jas. D. Brown, Rev. Ford, Jas. Gannon, A. V. McFarland, Mrs. T. J. Kildea, Harold Payne, Mrs. Brook, Wm. Edgar, Joe Robison, Dr. Griffin, T. E. Wright, D. A. Perry, M. A. Rellinger, Mrs. Fred Thurston, Geo. Quirin, Harley Willson, S. H. Crowther, W. E. Thompson, Jas. Swanson, T. S. Hughes.

LIONS ENTERTAIN AT DAD-LAD AFFAIR

Meeting in the Memorial Hall Dining Room on Thursday last, the members of the Strathmore Lions club were hosts to their sons at a grand dinner, which was served by Lions G. B. Anderson, Harold Scheer and Webster Scheer.

Following dinner Tall Twister Len Roberts led a rousing round of sing song, with request numbers coming from all corners. A highlight of this part of the program was the vocal number given by Lion Cub Charles Mercer, the number entitled Chickery Chick, complete with all the words. He was followed by a trio consisting of himself, and the two Scott sons, the whole ably assisted by Lion Charley Scott.

A round of games was then introduced by Lion Dr. John, in which the Dads were pitted against the Lads. In every case, the prowess, if not the enthusiasm, of the boys proved superior to that of their fathers, and the boys won hands down. Games played were Battleships, and Blowball.

A group of movies, narrated by Lion Bob Willison completed the program for the evening. Films shown included a picture of the Russian circus, pyramids of Central Africa engaged in bridge building, and bowling.

In The Legislature

By Geo. E. Bell, M. L. A.

The four weeks of the present session was highlighted by the Budget brought down by Premier Manning, Provincial Treasurer of this Province. It amounted to \$35,926,325.00, the highest in the history of the Province, and is characterized by an estimated deficit of three and a half million dollars.

The Social Credit Government will continue its "Pay as You go" policy

and will not resort to borrowing to cover operating costs for this year. Accumulated surpluses will be called upon to cover the estimated deficit. These surpluses consist largely of post-war funds set aside for post-war developments. No new taxes were forecast in the Budget.

A comprehensive five year road building programme which calls for an expenditure of more than three million dollars, was one of the highlights of the budget itself. School grants are up by over seven hundred and forty nine thousand dollars.

The Premier revealed the public debt of this Province has been reduced by over twenty million dollars in the past ten years. Treasury Branches showed an operating surplus for the past year and further expansion of this service is promised for 1946.

A new Agricultural College will be established at some point in the province, probably in the Peace River area. An Alberta Industrial Develop-

HONOR W. E. MERCER ON 80TH BIRTHDAY

Friday, March 8 a happy Family gathering in honor of Mr. W. E. Mercer Sr. who has been a resident of Calgary and Nightingale since 1911 was arranged.

On his arrival in Canada Mr. Mercer first established a Lady's Tailoring Business in Calgary. Later he settled in the Nightingale district where he has been a successful farmer.

Mr. Mercer has been an active member of the A. F. and A. M. member of the Order of the Royal Arch. Past Grand Officer of Grand Lodge of Alta. Member of the Order of the High Priesthood. Past Grand Officer of the Grand Lodge of Alberta and Past Grand Principal of the Grand Chapter

ment Corporation will be formed for the purpose of promoting development within the Province. Bonds of small denomination will be offered to the Alberta Citizens to provide money for this industrial programme up to the extent of five million dollars. The people of this province will thereby have the opportunity to profit from the development of the Natural Resources, rather than having the interest and profits from these businesses going to Eastern Canada or to the United States.

A post-war construction programme includes extension of main highways, more bridges, extension of University of Alberta Nurses' Home, Irrigation on the East Pot-hole Coulee project in the South, as well as the Grimshaw-Slave Lake highway.

This year's income from Petroleum sources is expected to be much lower than usual, due to the falling of production from this resource.

A resolution asking the Federal Government for a long-range programme for the livestock industry in Western Canada with prices at a sufficiently high level to enable livestock producers to continue to expand and produce foodstuffs was moved by Mr. Cornish and seconded by Mr. D. Ure.

Mr. Ure severely criticized the Press for its lack of publicity on agricultural matters and in its steady printing sentimental rubbish that had no particular beneficial effects on this major industry of Agriculture.

It was pointed out that the uncertain prices and uncertain demands for livestock production made it virtually impossible for farmers to know how to organize their farming activities over a long-range period. Economic conditions have forced farmers to produce every bushel of grain and every pound of flesh possible without paying sufficient attention to the fertility of the soil or the increased weed situation, claimed Mr. Ure.

A resolution moved by the Honourable the Premier and seconded by Mr. Prowse of the Army asks the Dominion Government to spend for post-war rehabilitation an amount equal to \$20. per person per year for the next five years. This money would enable provinces to develop essential post-war projects.

The Dominion Government was asked to finance this by expanding the national credit through the Bank of Canada or, as an alternative, to launch an annual Reconstruction Victory loan. The amount necessary to do this across Canada is many millions of dollars less than the amount raised in the last Victory Loan. The financial cost to Canada of the last war was 18 billion dollars and the few million required to implement this rehabilitation programme would be a very paltry sum by comparison. It was argued that a similar period of time should be utilized for reconstruction as was required to prosecute the war.

CROWFOOT

—By Mrs. J. S.—

The attractive and spacious home of Mr. and Mrs. Norman Scheer was the center, on Saturday evening last, of a very happy gathering of Young People arranged to celebrate the 21st birthday of their daughter Norma. At 7:00 p.m. twenty-five jolly young people sat down to a choice turkey dinner served at a long table attractively appointed, having as its centre piece a large birthday cake, flanked by tall pink cathedral tapers in silver holders and small vases of carnations in matching shades.

Mr. Hugh Berry proposed a happy toast and on behalf of the guests greeted presented Norma with a very beautiful Mexican silver bracelet and matching earrings.

Norma was also the recipient of a lovely gold wrist-watch from her family.

Following dinner, six tables of Court Whist were played resulting in Miss Eame Collops and Mr. Bjorn Nilsson holding the high scores while Miss Rhoda Woldum and Mr. Hugh Berry were awarded the Consolations.

Dancing games and singing whittled away the happy hours and after the singing of "For She's a Jolly Good Fellow" another delightful evening was concluded.

Congratulations Norma, we wish you the very best as you travel along life's highway, and a host of good wishes from all your friends go with you.

Mr. and Mrs. Chas Harvey entertained at a very lovely dinner bridge on Friday evening of last week. Covers were set to accommodate 15 guests and full justice was done to the delicious dinner.

Three tables of bridge were in play during the evening, and every minute was thoroughly enjoyed. Mrs. Norman Scheer and Mr. W. E. Thompson held the high scores while Mrs. T. E. H. Patterson and Mr. D. A. Perry were awarded the Consolations.

CHANCELLOR

—By Mrs. J. M. W.—

Mr. J. C. Paulson of Calgary, was over night visitor of Mr. and Mrs. N. I. Hansen on Thursday.

Mr. E. S. Naylor and Mrs. Wm. Davies of Vancouver were in Chancellor this week.

Mrs. H. Chamney and Harry attended the Shrine St. Patrick's Ball in Calgary on Friday.

Many Chancellor people attended the Trail of 98 in Standard on Friday night.

Mr. and Mrs. H. A. Treend of Husar were Sunday visitors of the Chamney's.

Friends from Chancellor, Standard and Tudor called on Mrs. E. H. Young on Sunday, to congratulate her on her birthday. She was presented with three lovely cups and saucers. A very pleasant evening was spent and a mid-night lunch enjoyed.

Mrs. Floyd Orntura left this week visit relatives in U. S. A.

The Chancellor Ladies Aid met at the home of Mrs. N. I. Hansen on Thursday.

We are sorry to learn little Murray Christensen isn't so well, we hope he will soon be O. K. again.

Mr. and Mrs. A. Estebrook of Calgary were weekend guests of Mr. and Mrs. Andy Hansen.

CHANCELLOR SPORTS CLUB

The Chancellor Baseball Club held its annual meeting on March 4, with a fairly nice turnout.

Mr. B. L. Hegel was elected President Mr. L. C. Smith vice-president. Mr. Kermit Hansen and L. Ricard Directors and Chas Madsen Sec. Treas.

It was decided to change the name from Chancellor Baseball Club, to "The Chancellor Sports Club".

A motion was passed that a resolution be sent in, favoring retaining the Daylight saving time.

The meeting was in favor of continuing with the "Big Six League", and hope that the other teams will continue in the League in 1946.

We will continue with our annual membership fee of 25c and invite everyone in the community to join. We had 39 members last year, and hope to increase the number this year.

It was also decided that we buy baseball suits this spring, and should have them by the time the season opens.

The Club is in very good financial standing, owing to the good support which we have received in the past, and we wish to thank everyone who has helped us in any way, to the success which we have enjoyed and hope to continue in the future. Thank you. Chancellor Sports Club.

Chas V. Madsen,
Secretary Treasurer.

RED CROSS CAMPAIGN

This year the Alberta Branch of the Red Cross will need two hundred thousand dollars to carry on its great work of establishing civilian blood banks, and of providing free medical and surgical care for Alberta's crippled children.

Don't let this worthy organization down.

This year the RED CROSS must extend its peacetime services to thousands of needy and unfortunate persons in our province. A new RED Cross children's hospital must be built to accommodate the hundreds of suffering, crippled children from all parts of Alberta. Emergency medical aid stations must be provided in isolated rural districts. Civilian blood banks must be established so that blood transfusions can be freely available to all those who require this life-saving service.

Ask any man back from the land, sea or air battlefields, and he'll tell you the Red Cross was right there. Right there helping in a hundred ways the casualties of war, but there are casualties of peace right here in our own province, and they need Red Cross help too.

So give generously when the can-

vasser calls, and do your bit in this humanitarian work.

A VERY WORTHY PROJECT

We heartily commend the decision of Calgary citizens to assist so generously out of their Community Chest Drive in building a comfortable home and work shop for the blind residents of Central and Southern Alberta.

The well planned building is slated to cost \$100,000 of which the Community Chest Drive is contributing \$40,000. Last fall the Alberta Government, authorized a grant of \$2,096 to build a home in Calgary and Edmonton each. The remaining \$37,999 will be contributed from other sources.

The need of the blind people has been too frequently overlooked. True the Canadian Institute for the Blind, situated in Toronto does a large amount to ameliorate the loss born by these deprived of one of life's greatest blessings but their source is limited. Hence we wish to pay a high tribute to the folk who planned this very worthy work.

The present era might be described as the peace that passeth all understanding.

BALDWIN MOTORS

Hometown, Ontario.
 March 1, 1946

Mr. J. C. Blank,
 2545 Main Street,
 Hometown, Ontario.

Dear Sir:—

The first new 1946 Ford cars are due to arrive in town next week and will be on display in our showrooms at BALDWIN MOTORS on Saturday, March 23rd.

We won't attempt to detail the many outstanding features of the new cars here. Sufficient to say that they incorporate the many improvements developed by Ford of Canada in the production of over 400,000 military vehicles for use in every theatre of war. In fact, there are more mechanical and design advancements in the new 1946 Ford models than has occurred in any new Ford car since the introduction of the V-8 in 1932.

May we look forward to showing you these cars next Saturday—or at your earliest convenience thereafter.

Yours for service,

BALDWIN MOTORS.

ANGLICAN ADVANCE APPEAL

TORONTO.—March 6: The Very Rev. R. H. Waterman, B. A., B. D., Dean of Niagara Organizing Secretary for the Anglican Advance Appeal. An outstanding figure in the Church of England in Canada, typifies the militant spirit of a post-war Church in the fight for peace. A towering figure of man, genial, approachable, but fearless campaigner, he includes with a realistic attitude the problems of rebuilding the peace that face the Church in the aftermath of war.

Born in the rectory of a small parish in the Diocese of Ottawa, he grew up in a church atmosphere. His Father "Waterman of Carp", himself a fearless champion and well-known figure of the Canadian Church, doubtless had much to do in laying the foundation for young Waterman's mission in life. He attended the public and high schools in the parishes in which his father served, and in 1911 entered the University of Bishop's College, Lennoxville, P. Q., as undergraduate in Arts and Theology. He graduated in Arts in 1914 and entered upon Theology, but was drawn to take a part in the conflict of World War 1 and enlisted in the ranks in February, 1915. He saw action in France and Germany with the Fifth Canadian Mounted Rifles, and returned to Canada in 1919 to re-enter Bishop's College. Receiving his Licentiate in Sacred Theology in 1920 he was appointed to a parish in the Ottawa Diocese. In 1927, after serving in Pembroke and Smith Falls, he went to Hamilton as Rector and Canon of Christ's Church Cathedral and the following year was made Dean of the Diocese by the Bishop of Niagara. He is now on leave of absence from his Bishop to devote his full time to the organizing of the Anglican Advance Appeal within the Church of England in Canada.

He has, since September, 1945, travelled some 20,000 miles across the Dominion and visited 26 of the 27 Dioceses. The results of his work in the Church are strongly evident and the impetus she has received will carry her forward and beyond the week of May 12th, when with a spirit of Rededication and Thank-offering her people will launch a campaign to raise \$4,300,000.

NIGHTINGALE

—By Mrs. F. H.

Mrs. Harley Harriman entertained the Women's Institute at her home last Friday. The roll call was answered by "My happiest day in 1945" and many happy days were recalled. The following donations were approved. To join the jam fund for childrens hospitals overseas, \$10.00, to emergency war fund \$5 and to the F. W. I. C. F. \$5. It was decided to circulate a petition for a 3 day week mail service for Nightingale. The colors for the handicraft quilt were chosen. The W. I. agreed to serve lunch at the Hilton sale. Mrs. Frank Smith brought a birthday parcel and Mrs. H. Harriman was the lucky winner. During the business session the ladies were busy tying a quilt and Mrs. Otto kindly consented to do the binding. Mrs. Kinney and Lois and Mrs. Leonard Hilton were welcome visitors. Tea was served at the close of a pleasant social hour.

Tom Stoodley left for Edmonton last Thursday where he will be student. He is taking a course in Electrical Engineering.

Mrs. George Chaple and daughter arrived in Calgary from overseas last Wednesday. They are guests at present at the home of Mr. and Mrs. Pete McLean.

Mrs. Harley Harriman and Mrs. Osborne left on Tuesday to attend the W. I. Conference at Lethbridge, as delegates.

Mrs. Tom Taylor and daughter Lynn of Strathmore were visiting last week with her parents Mr. and Mrs. Geo. Thurston.

Mr. Albert Kimmitt is busy these days. He has moved a building and is fixing a house. It sure does look promising.

CANADIAN FARM DELEGATION WILL ATTEND WORLD PARLEY

rendered by

CANADA'S LARGEST MUTUAL FIRE INSURANCE COMPANY

Fifty years ago, twenty sturdy pioneers of the Wawanesa district gathered together and organized a mutual insurance company. It completed its first year with a net surplus of only \$5.96. Today the Wawanesa is the largest fire mutual in Canada.

This phenomenal growth didn't just happen. It reflects a combination of early vision, courageous leadership, dependable protection at cost, prompt and fair settlement of claims, and the complete confidence of an ever-increasing host of members.

SEED GRASS EARLY IN SPRING

The establishment of grass stands on dry land in Western Canada has always been difficult, due to adverse climate conditions. The worst feature of our climate from this point of view is the period of hot dry weather in the middle of summer. Of course moisture is the limiting factor for growth from year to year but for small grass seedlings the critical time is the first summer. By seeding at a time of year so that the seedlings will be well established by mid-summer is one of the most important requisites for obtaining a good stand.

Results of experiments in Southern Alberta show that the best time of seeding crested wheat grass is the early fall, that is, from the last week in August to the middle of September. Seeding made at that time result in good, vigorous plants that will withstand drought by mid-summer. Late fall seedlings are usually successful. In this case the seed is placed in the soil just prior to freeze-up so that it is just to start growth early the following spring. Normally, spring seedlings to be successful, should be made very early, certainly not later than the end of April. In many cases it is possible to get on the land in late March or early April. In the case of crested wheatgrass it is preferable to seed directly into undisturbed stubble so there is no reason why the seed drill should not be taken out and used as soon as the land is dry.

In seeding grass seed it is essential it should be shallow, about 1/2 inch only, otherwise emergence will be poor. It is very important that spring seedlings be made early.

LANGDON

— By G. E. W. —

The regular meeting of the Women's Institute was held in the W. I. hall on Wednesday, March 6th. Mrs. Dunlavin our president was there, and opened the meeting by singing O Canada. Several business matters were discussed, after which the flannellette for the baby's layette, was given to the different members, who are making the

WEDDING

McLAUCHLIN—PORTEOUS

The spacious and tastefully decorated home of Mr. and Mrs. B. L. McLaughlin, Lyalta was the scene of an attractive wedding on March 7, at 7:00 o'clock p.m., when Winnifred Porteous of Strathmore, became the bride of Kenneth Alvin son of Mr. and Mrs. B. L. McLaughlin, of Lyalta.

Rev. S. R. Hunt officiated. The bride, who was given in marriage by her father, chose a gown of white net over satin, fashioned on princess lines with sweetheart neckline and a finger-tip veil. She carried a bouquet of American Beauty roses. Her only ornament was a tozaz pendant, a gift of the groom.

Mrs. A. Grant, sister of the bride, was matron of honor. She chose for the occasion a floor-length gown of pink sheer, small blush pink hat with shoulder length veil and carried a bouquet of pink carnations.

Mr. Lloyd McLaughlin, brother of the groom was groomsmen.

During the signing of the Register, Miss Patricia Hermanson, rendered "Till the End of Time" with Mrs. S. R. Hunt accompanying.

Following the ceremony a reception for fifty guests was held. The bride's table was decorated with pink and white carnations, the bride's bouquet and centred with a three tier wedding

articles, also the wool for the knitting for the layette. Roll call was "Helpful Hints" about caring for flowers, and was answered by nearly all the twenty-five members present: those who did not answer had to pay a fine of five cents. A delicious lunch was served by the hostesses, Mrs. Anderson, Mrs. Campbell and Mrs. Kernachan. The next meeting will be held on Wednesday, April 3rd, in the W. I. Hall.

Mr. and Mrs. A. M. Watson had as their guests on Friday Mr. Watson's mother and sister, Mrs. and Mrs. James Watson, Mr. Jack Watson, Mr. W. E. Fraser from Corrieh and Mr. Watson's niece, Miss Edith Gray from Aldrie. It incidentally was Edith's twentieth birthday and a very happy day was had. Edith intends enrolling as student nurse in Calgary General Hospital on April 1st.

Mr. Jack Anderson spent last Tuesday in Calgary.

We are very pleased to report that Mrs. Walter Allcock has left the hospital and is staying with friends in Calgary for a few days, before coming out to her home some time this week.

Howard Valandine has just received of his discharge from the army, and intends having a real rest with his folks at home.

Mr. and Mrs. W. Courtney and Margaret spent Sunday in Calgary.

Mariann Watson and Betty Crilly had a couple of days away from school last week. Mariann with the flu and Betty paid a visit to the dentist.

Little Sharon Kernachan has had quite a spell of cold, hope she is better now, and feeling fine again.

Another jolly time was held on Saturday evening in the W. I. Hall when about 40 young folk gathered to have a good time. Dancing was enjoyed and a delicious lunch was served. Mrs. Gordon Crilly, was hostess for the evening.

Mr. and Mrs. A. M. Watson, had as their guest one day last week, Mr. C. O. Dawson of Ardenode.

Doris Caldwell is in Calgary for a few days writing her examinations.

PAST AND COMING ATTRACTIONS

For theatrical entertainment Hirtles Theatre gave two excellent pictures last week in Danger Signal and The Corn is Green. Bette Davis and John Dal gave very fine portrayals in a picture of high calibre. This week we are all awaiting The Lost Week End.

Monday night, March 18 The Men's Club are holding a Father and Son Banquet at 6:30 p.m. in the United Church Memorial Room. Rev. Art Morgan, secretary of Boy's work in Alberta will be guest speaker.

The bride's mother chose for the occasion a gown of grey and white jersey trimmed with red and a corsage of white and red carnations.

The groom's mother chose a blue silk two-piece gown trimmed with sequins and a corsage of red and white carnations.

Mr. and Mrs. McLaughlin left later for Calgary and Banff where the honeymoon will be spent, the bride travelling in a grey two-toned wool dress and light snail coat, trimmed with white fur and matching hat. The ensemble was completed with brown accessories.

Upon their return the couple will take up residence at Lyalta.

TAKE PRIDE IN ALBERTA!

The Little Red School House has taken to the Mails

It has taken to the mails in order to bring education to Alberta's 8,500 children who live in remote areas of the province, or who are confined to hospitals and institutions because of long illnesses, or whose district schools have closed because of the teacher shortage.

It has become known as the Department of Education's "Correspondence School Branch". Headquarters . . . Edmonton, Staff . . . 95 fully qualified teachers who, week after week, prepare lessons for mailing, and mark and correct workbooks and examination papers as they are returned; Enrollment . . . 8,500 pupils who are called to study . . . not by a school bell . . . but by the growl of the mail truck fighting its way through the mud and snow of the rural mail route . . . by the drone of the plane bringing mail into Coppermine and Fort McPherson . . . by the staccato barking of the huskies mushing toward some northern fur trading post . . . or by the crackle of a nurse's white uniform as she carries the mail to the children's ward of an Alberta hospital.

SCHOLASTIC STANDING HIGH

Correspondence School students are studying under handicaps undreamed of by children of urban schools, yet their scholastic standing is as high, sometimes higher, than that of urban and district school pupils. A number of them have received the governor-general's medal and other scholarships for outstanding achievement, and many graduates have enrolled at the universities.

ALBERTA'S LARGEST SCHOOL

The little red school house which took to the mails has become, not only Alberta's largest school, but also a tribute to the foresight of Alberta's pioneers of education, and a permanent reminder of the courage and determination of students whose desks were kitchen tables and whose introduction to education was a postage stamp.

FARMER'S COLUMN--

By R. J. M.

This is the second article on Warble Fly and it's control. In a way it is an appeal to every owner of cattle to treat their Bovines to destroy and eventually eliminate the Warble-Fly parasite.

As a preliminary step in such control an outstanding farmer in each township of this enlarged municipality has been written to requesting that he determine the number of cattle present in his township. In addition he was to locate where corrals are situated so that cattle could be assembled conveniently thus saving time and expense for the municipality owned Power Sprayer. If you hesitate for a few moments and think of the size of this municipality, approximately 729 square miles and the possibility of it containing large numbers of cattle, you will get some idea of the immensity of our task.

The work doesn't stop with this preliminary survey, but is rather only beginning. It behoves every cattle owner to plan to treat his cattle. Every farmer should call the appointed man in his township and offer to take his cattle to corral or offer his corrals for the treating program. This is your problem and I know that you will cooperate and solve your difficulties.

The following are the men appointed for each township:

23-21-2, W. Gordon; 23-21-4, George Yule; 24-21-4, Norman Watson; 23-23-4, J. Sauve; 24-23-4, Hugh Berry; 23-25-4, D. J. McKinnon; 23-25-4, Walter Bisdon; 24-25-4, Charlie Scott; 22-22-4, Pete Warner; 23-22-4, Ray Cunningham; 24-22-4, L. Selsenson; 23-24-4, Bill Fox; 24-24-4, Jim Harwood; 22-26-4, Keith Robson; 23-26-4, Lee Welshimer; 24-26-4, Robert Jackson.

These men cannot be expected to do all the necessary organizing so help wherever possible. Already some of these men have forwarded reports listing names, numbers of cattle, and convenient corrals. That's real and prompt co-operation.

To further this campaign a general meeting has been called for March 17 at 2:00 p.m. in the Memorial Hall. Don't come alone, bring a car full of neighbors. The film depicting this costly parasite "The Warble-Fly" will be shown. Mr. Dick Painter, Dominion Entomologist from Lethbridge, will be in attendance to assist in our organization and answer questions. I am hoping for a large interested audience so that we can really plan a vigorous campaign in complete detail, so as to make the most efficient use of the Municipal Power Sprayer.

If a farmer has four or five milk cows, he can treat these at home by using "Derris Root Powder", procured from your Druggist. Be sure to examine your cows frequently as this warm weather may bring the Warbles along earlier than expected. We should be so well organized that we could start our campaign immediately. Corrals will have to be braced and planks arranged as catwalks for the convenience of the spray operator.

I stepped on a penny the other day and could tell that the head was up, so naturally jumped to the conclusion that a Warble had weakened the leather on the sole of my shoe.

"Mommy, the teacher asked me all about you and Daddy, and if I had any brothers and sisters."

"I am glad to see her taking so much interest," replied the mother. "What did you tell her?"

"I said I was the only child."
"And what did she say to that?"
"Oh, just 'Thank heaven!'"

GASOLINE PRICES

(Exclusive to Weekly Newspapers)

The Prairie Provinces is the only section of Canada where subsidies are still being paid to keep down the price of gasoline and other petroleum products, the Wartime Prices and Trade Board said today. Because the Turner Valley output has declined to the point where crude oil now has to be imported by rail from as far as Oklahoma and Texas to fill prairie demands, subsidy assistance at the rate of about \$3,500,000 a year is being continued to help hold down the cost of the refined product to Prairie consumers.

If all petroleum subsidies were cancelled, gasoline prices would increase by varying amounts up to approximately six a gallon over present prices, the Board explained in a statement which said that the 2c a gallon increase in the maximum price for gasoline in Manitoba, Saskatchewan and Alberta on March 18 is designed to meet "a long-run situation" and not just a temporary problem arising out of wartime conditions.

The arrangements made, said the Board statement, will assist in meeting the problems of the independent refineries are dependent on imported crude and, because of their limited local markets, would find it impossible to absorb increased raw material costs.

The Board's statement concludes by again emphasizing that all remaining petroleum subsidies now being paid apply only to the Prairie Provinces, and the estimated continuing payments at an annual rate of approximately \$3,500,000 to hold down prices of Prairie petroleum products mean that much saving to Prairie consumers.

Jam Subsidy Is Removed Removal of subsidy payments to manufacturers

on sales of jams and jellies, effective March 1, will result in an increase of about 4 cents on the standard two pound (24 fluid ounce) jars, the Prices

Board announces. The price increase to consumers will be equivalent to the amount of the subsidy, but the adjustment will vary according to the variety, grade and size of container.
